**REQUEST FOR CORRECTED TITLE**

Honorable Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The *Notice of Allowability* dated February 23, 2005 included a typographical error in the title of the invention. Specifically, "IV" is omitted from the title. The correct title should read as follows:

A Semiconductor Device Having Channel Formation  
Region Comprising Silicon and Containing A Group IV Element

It is requested that the correct title be reflected on any issued patent.

Respectfully submitted,

Eric J. Robinson
